## Benefits and Services

You will find the benefits extended as a result of your membership in the Chamber to be far reaching and diverse. Your membership signifies your support for an organization which is geared toward improving the entire community and your business.

### Communication

Members receive an information newsletter monthly detailing what is happening in the community and the status of various programs. They also receive email notices as needed to ensure up to date information is shared.

### Education and Training

Seminars and workshops on a variety of pertinent subjects are sponsored by the McCreary County Chamber. Partners for these include Somerset Community College, Eastern Kentucky University, UK Extension Service, McCreary Tourism and the McCreary Office for Economic Development, just to name a few.

### Advertising and Promotion

The Chamber assists its members with promoting and advertising their businesses. Members are included in the Chamber Directory that is widely distributed and featured in the "Buy Local" campaigns to support McCreary County's local businesses.

### Business and Community Support

Your Chamber membership demonstrates your support of the local community and its economy and your efforts to make McCreary County a great place to work and play.
